## 201 Supper Club, Englewood, New Jersey

201 Supper Club, the newest restaurant in Englewood, New Jersey night life, is part of a chain of restaurants with a night club on the second floor. When you first walk into the attractive doors, you enter Sangria Sake, for sushi and Spanish cuisine. Walking through the velvet curtains, enter the elegant and Mediterranean influenced Supper Club, the place to go for delicious fine dining and live Spanish music every Thursday, Friday, and Saturday night. Up the imported tile stairs you enter a New York style night club with three lounges, a bar, dance floor, and state of the art DJ system. Club 201 is open for parties of all kind, even Sweet Sixteens and Bar Mitzvahs with the fully equipped arcade room in the back. Beautiful cushions and sofas decorate the candle lit club, and you get the feel of an upscale city night club.

Although the restaurants and club have only been opened since September, it is clear already that the venue will make a big hit in the night life of New Jersey and New York diners. Supper Club is the perfect place to take friends for a party and a special someone for a romantic evening of fine food, lively entertainment, and a homey yet exotic atmosphere. Red silk curtains separate private

tables, red tablecloths are gently lit by candles, and the gorgeous bar on one wall complete the look of a Mediterranean bar. Listen to live music or watch one of the big flat screen TV's that are at each end of the bar while dining on succulent dishes. I suggest starting with an appetizer dish of plantains, which even the pickiest of eaters will enjoy. Then move on to mouth watering entrees such as the Penne Con Pollo or Duck Combo. The Penne Con Pollo was fantastic with a delicious basil pesto sauce, fresh artichoke hearts, pitted black olives, and fresh tomatoes over penne and grilled chicken breast. The Duck Combo was also a superb dish; seared breast and roasted leg of duck with crisp yucca, passion fruit mojo, and duck demi glace. Chef Andrew DiCataldo, who has nine years experience in one of New York's finest three star restaurants, loves the new restaurants, saying, "I feel very at home here." Don't forget dessert, with delectable selections such as fresh berries with Grand Marnier Cream and the Supper Club Tiramisu. The food is only matched by the service, as everyone makes you feel at home.

The night was very enjoyable, and you will not leave hungry in any sense of the word. Call ahead for reservations, or just go to enjoy a night out with friends or family.
