### get on the dance floor

Are you interested in trendy-cool places where you can dine with a bunch of well-groomed friends and watch the glamorous people around? You may be in and ready for a great experience...

article by Vicky N. Davis

After dark, New York shines more brightly than ever, with hot dance clubs, cool jazz lounges, and sexy Latin or trance beats. For sophisticated, picky and hard-to-please NYC Food & Mood readers, I thought of places that I really love going to, and compiled a list of my favorite late-night destinations in the city, hoping that you will love it, too.
