new cosmetics

It's time to discover new, effective products to make your daily life easier. Nowadays, only "attention to detail" sets the tone for all sorts of hair and skin types...

1-Robert Craig No More Bad Hairdays Kit

Still blaming bad hair days on your shampoo, your hormones and the weather? "The real culprit," says New York hair colorist Robert Craig, "is the water!" The Kit comes with twelve test strips, three shampoos for different water (soft, moderately hard and extremely hard) and a spray-on, leave-in conditioner. Available on-line at www.robertcraig.com for \$19.95 plus shipping and handling.

2-Create a Flawless Australian Tan with Tanline

If pale, dull, winter-weathered skin has left you high and dry, Tanline Visible Results has just the variety of products to transform you into an Australian goddess! Tanline will give you the most natural glow and golden brown tan witho-

ut even baking your skin. Body Scrub: \$25, Body Shimmer: \$22, Body Balm: \$28, Shower Gel: \$19, Tan in a Can: \$35. Available on-line at www.tanline.us.com

3-Plantogen Introduces New Facial Supplements

Plantogen introduces its new facial treatments for the improvement and maintenance of healthier, younger looking skin. Corrective Eye Gel: \$33, Overnight Stress Repair: \$34, Purifying Cream Cleanser: \$22, Gentle Facial Scrub: \$23, Light Moisture with Retinol: \$30.40, Alcohol Free Toner: \$20.80. Available for purchase at select salons and spas. www.plantogen.com

4-SkinMilk Face and Body Products

An everyday indulgence with a soft vanilla cream scent, the SkinMilk formula is enriched with vi-

tamins A to increase cell production and improve skin health and structure, D to extend beneficial effects and keep skin hydrated and E, a well-known antioxidant that protects against free radicals and irritants. Available nationwide at Walgreens, Duane Reade, and other food, drug and mass market retailers. www.skinmilk.net

5-Environ's New C-Quence Line

Get ready to indulge in South Africa's best-kept secret-a new cosmeceutical line that will push the boundaries of how you think about skincare. The luxurious New Environ C-Quence line will rejuvenate skin and effectively reduce the visible signs of photo aging. Available (\$110) on-line at www.environ.co.za or call (877) 337-6227 in the Eastern U.S. and (866) 866-Environ in the Western U.S.
