JEANS WITH BENEFITS

These styles are cut specifically for certain body types or have hidden control built right in

FOR PETITES

The company makes nine styles with a 31-inch inseam—perfect if you're 5'4" or under.

- **Paige Premium Denim**

"Pico" petite cotton-spandex boot-cut jeans with flap-back pockets, \$189; National Jean Company, 866-628-5326; nationaljeancompany.com

MORE LEG ROOM

Part of a new collection for curvier women, which features more room in the thighs and a contoured waistband to prevent gaping.

- **J Brand Blue Label**

"Monroe" wide-leg jeans, \$227; 877-890-7171; eluxury.com

SLIMMING

The special "crisscross" panel flattens the stomach, while the extra stretch in the rear lifts the butt and slims your hips.

- **Not Your Daughter's Jeans**

"Tummy Tuck" wide-leg trousers in cotton-spandex, \$118; Nordstrom, 888-282-6060; nordstrom.com

TUMMY CONTROL

Has extra stretch to hold you in and hug your curves.

- **Lee Jeans**

"Slender Secret" cotton-spandex jeans, \$42; 800-453-3348; lee.com
