Get Your Fix A procrastinators' guide to primping

1 HOUR AND COUNTING ...

Kidding aside, Toppik, the \$19.95 "miracle hair in a can," has been used by actors from "The West Wing" and requests also came from the sets of "Chicago" and "Catch Me if You Can." It's an undetectable complex of organic protein fibers shaken directly onto thinning scalps. Stays put through perspiration or rain, but rinses out with one shampooing. www.regrow.com
