## SHOPS AND SERVICES SHOES

**TUPLI**—Let your imagination run as wild or as conservative as you like at this custom-made shoe atelier. Tupli's mission is simple: These are not cookie-cutter shoes, but one-of-a-kind works created out of European-imported materials (including diamonds, pearls, beads, leather, suede and satin) and made to individual specifications. Turnaround time is three to four weeks. By appointment only.
