"Invest in a classic cashmere pullover, and you'll wear it for years!" says Gunn.

"If a woman only owns one handbag, it should be a hobo style," says Gunn.

Sweater: \$128, Garnet Hill (www.garnethill.com). Camisole: \$18, Jockey (www.jockey.com); Jeans: \$19.95, Levi Strauss Signature (www.walmart.com). Bag: \$42.99, baghaus (www.baghaus.com). Boots: \$49.99, Impo (800-367-4615). Necklace: \$42, Etienne Aigner (www.etienneaigner.com).

Tim's tip: Pick the perfect sweater!

- Go for a deep V. "It's the most flattering neckline, period," says Gunn.
- Look for sweaters that curve in at the waist.
- Layer a lacy cami under your sweater to look feminine and pulled-together.
