## FLASHBACK PHOTOS: Opening of **Covet Restaurant and Lounge** Hosted by Ramona Singer

If you missed the OFFICIAL opening of Covet, a week or so ago, no worries, the East 55th Street eatery and lounge is booming and to follow is the 411 on the recent evening. Ramona Singer of Bravo's hit reality series *The Real Housewives of New York*, hosted the opening where the line leading up to the velvet ropes stretched down 55th Street and around the corner to Lexington Avenue. A super-coiffed crowd braved the wait, and all soon entered the heavy wooden doors of Covet--now touted as Mid-Town East's first über-lounge. Inside guests enjoyed the diverse ambiance created to cater to celebrities, models, politicians, foodies, the financial set and fashionistas. The intimate cocktail lounge, hidden below the main floor, was filled with well-wishers and even the side enclaves (complete with plush banquettes) were joyously discovered. Covet offers an eclectic mix of musical genres ranging from electronic pop to indie mash-ups courtesy of its resident DJ Evalicious. Present were Covet Co-Owners Eric Milon and Andre Hnatyszak, Ramona Singer, Publicist Katherine Rothman, TV Personality Cognac Wellerlane and others. To follow are select photos from the event.
